At Pearl Lake Country Holiday Park

If you're searching for an affordable holiday home in a 5-star static caravan park with top-notch amenities, this might be the perfect fit! The park offers a golf course, fishing lake, woodland walks, a restaurant and bar, fantastic play areas for the kids (or grandkids), and it's also dog-friendly.

The living area is bright and inviting, thanks to the large front-facing windows, perfect for enjoying those long sunny days. It's a great social space, complete with a dining table for four and a fully equipped kitchen, so you can easily chat with everyone while preparing lunch and keep an eye on the kids at the same time.

From the main hallway, you'll find the family shower room and a cozy twin bedroom for guests. The master bedroom is tucked away at the rear of the home, offering a peaceful retreat for when you need a little downtime.

Given the price and location, this holiday home is a must-see!
