Pemberton Marlow Lodge

Available at Pearl Lake Country Holiday Park

The brand new Pemberton Marlow Lodge is bright, spacious and welcoming. A perfect holiday home retreat.

With a bright summer colour palette throughout the interior, the spaces feel larger and, somehow, happier. The side door brings you in to the very large kitchen-dining area (dining table for 4) which compliments the colourful lounge with large windows, great natural light and welcoming colours.

There is a family shower room next to the guest twin bedroom, and, at the rear of the holiday home, at master bedroom with en-suite shower room.

The Marlow Lodge puts you at ease straight away, offering an interior equally suited to relaxing and entertaining.
