Regal Autograph

At Discover Parks

The Autograph is back, and better than ever!

With plenty of natural light and modern fittings throughout this Holiday Home designed for your convenience what more could you want?

The living room has a feature wall panelling; this pairing with the two freestanding sofas and feature footstool makes for a perfect area for hosting and entertaining or for a cosy night in!

With the large bench seat style dinette seating in the kitchen along with plenty of storage space it is the perfect space for keeping everyone in the conversation.

In the master bedroom you have the luxury of a super king-sized bed as well as a large dressing area with feature mirrors, large wardrobe space and an ensuite shower room there is something for everybody in this Holiday Home.

The twin bedroom makes a perfect space for the whole family or extra guests with 3ft single beds and large amounts of wardrobe space perfectly complimenting the main family bathroom opposite.
