£29,995

Willerby Winchester

For sale at Pearl Lake Country Holiday Park

This fantastic pre-owned Willerby Winchester holiday home offers a well designed layout, with great natural light from the generous windows and it comes complete with wrap around decking!

A side entrance door takes you straight into the separate kitchen / dining area that has heaps of light from the large windows. The dining table seats four (but could fit more), the kitchen has a fridge/freezer, one and half bowl sink, microwave, gas cooker and hob with plenty of cupboard space both above and below the granite style counter tops.

Through the door and into the lounge. The lounge, with large front windows and patio doors, has great natural light and gives access straight onto the decking. The freestanding three piece suite includes a large sofa (which is a sofa bed for extra guests) and 2 armchairs including a swivel. The lounge also has a feature fireplace and plenty of useful storage.

There's a family shower room off the hallway and a generous twin bedroom with storage and a built in wardrobe with drawers. The main bedroom has a window seat, dressing table and wardrobe as well as cupboards over the bed. There's a handy en-suite w.c. too.
