Willerby Vogue Nouveau

For sale at Pearl Lake Country Holiday Park

This Willerby Vogue 'Nouveau' sits on one of the most stunning plots at Pearl Lake looking straight out onto the lake.

With glass fronted decking included and patio doors from the bedroom to a private deck – it's a 'take your breath away' holiday home!

You enter the Vogue straight into the kitchen/dining space. On your immediate right is a handy seat for taking off boots with clothes hooks over. Look to your left and you get the first glimpse of the lake through sliding patio doors flanked by full length windows and fanlight windows above – making the most of the amazing view. The lounge has 2 sofas (one is a sofa bed and the other reclines).

In the fully fitted kitchen with white gloss fronted cupboards and granite style counter tops, there's a double door opening American-style fridge freezer, a large oven with 5 ring gas hob over, integrated dishwasher and washing machine and a microwave. The dining table seats six.

Down the hall and the bedrooms and bathrooms are equally as impressive. There's a family shower room which serves a really generous twin bedded guest room with wardrobe and bags of storage. The master bedroom is exceptional. There's a king size bed, ensuite shower room with extra large shower, patio doors onto a small deck, dressing table with mirror and lights plus a walk-in wardrobe.
